

# How did we do? The Friends & Family Test

The NHS Friends and Family Test is an opportunity for you to provide feedback on the treatment and care you receive from us at The Derby Medical Centre. Your feedback will allow us to have a better understanding of the needs of patients and will help us to improve our services.

Before you leave, please complete a form and post in the box in the waiting area. Alternatively go online to [www.iwantgreatcare.org](http://www.iwantgreatcare.org)

The feedback you provide will be confidential and anonymous. For more information about this initiative please visit NHS Choices at [www.nhs.uk](http://www.nhs.uk)

## How likely are you to recommend our practice to your friends and family if they needed similar care or treatment?
