

With these rights come responsibilities and for our patients this means:

- Courtesy to all Derby Medical staff at all times - remember our staff are working under doctors' orders.
- Responding in a positive way to questions asked by the reception staff.
- To attend appointments on time or give the practice adequate notice that they wish to cancel.
- An appointment is for one person only - where another member of the family needs to be seen or discussed, another appointment should be made and the Medical Record be made available.
- Patients should make every effort when consulting the surgery to make best use of nursing and medical time - home visits should be medically justifiable and not requested for social convenience.
- When patients are asked to give 48 hours notice for repeat prescriptions, please give us this time as a minimum to allow for accurate prescribing.
- For out-of-hours services please see separate leaflet.

When changes are introduced to practice procedures that affect patients, we will ensure that these are clearly explained, by means of it's brochure; waiting room notice board or individual leaflets, giving as much notice as practicable.

To ensure the best possible knowledge of your personal health, these will be signed by your usual GP wherever possible.

## Referrals:

Urgent referrals to other health and social care agencies will be made within two working days of the patient consultation. Where requested, our GPs will refer you to a private health provider.

## Home Visits:

We are unable to guarantee a specific

doctor will visit you as this depends on availability and other factors. The decision to home visit will be at the doctors' discretion.

## Out of Hours Emergencies:

We will do everything possible to ensure that our system for contacting the duty doctor is easy to follow, reliable and effective.

## Waiting Times:

- Surgeries will normally start on time.
- We expect patients to be seen within twenty minutes of their appointment time, and in the event of a delay we will offer an explanation.
- When a doctor is called away in an emergency we will inform the patients and give them the opportunity to book an alternative appointment or, if preferred, to be seen by another doctor.
